SUMMARY

Master's student in Construction Management with a strong focus in Real Estate Finance and Development at USC, with 2+ years of prior CRE experience across acquisitions, development coordination, and financial modeling on \$50M+ in residential projects in India.

EDUCATION

Master of Science in Construction Management | University of Southern California Expected May 2027
GPA: 3.5/4.0

Relevant Coursework: Construction Accounting, Finance and Strategy; Real Estate Practices and Principles; Real Estate Finance and Development; Practices in Architecture, Engineering and Construction

Bachelor of Business Administration | MIT World Peace University, Pune – India Jul. 2021 – May 2024
Relevant Coursework: Corporate Finance, Accounting, Business Strategy, Statistics

Diploma in Civil Engineering | Cusrow Wadia Institute of Technology, Pune – India Aug. 2018 – May 2021

PROFESSIONAL EXPERIENCE

Real Estate Private Equity Remote Intern | Project Destined, Remote Sept. 2026 – Oct. 2026 (In Progress)

- Building 10-year underwriting models in Excel for three U.S. multifamily acquisitions (\$5.5M–\$17M), projecting revenue, OpEx, and NOI, and applying the Income Approach (Cap Rate) to estimate acquisition/exit valuations

Course Teaching Assistant | University of Southern California Jun. 2026 – Present

- Supported Professor Paul Giorgio (RED 547) and Professor John Loper (RED 200) in delivering graduate-level courses, managing attendance, Brightspace grade structures, and weighted Excel gradebooks (Exams, Term Project, Participation)
- Independently proctored and graded written examinations and coursework against detailed answer keys, applying consistent grading standards across both classes

Real Estate Analyst | Roshan Realty, Pune, India Sept. 2024 – Jun. 2025

- Identified a high-demand residential redevelopment opportunity in Pune, projected to generate \$11M in sales revenue
- Shifted acquisition focus from mature markets to emerging areas by analyzing demographic, economic, and infrastructure trends
- Guided \$20M+ in investment decisions through detailed financial models and market feasibility reports
- Identified regulatory risks in a proposed land acquisition, avoiding \$2M in exposure
- Led due diligence supporting \$22M+ in project acquisitions

Real Estate Analyst Intern | Rahul Construction, Pune, India Jan. 2024 – Jul. 2024

- Prepared comparative market analyses to evaluate local competition and pricing trends
- Analyzed leasing data, tenant performance, and financing structures for a 150-unit portfolio generating \$720K+ in annual rental income, supporting upcoming joint venture projects

Project Coordinator Intern | S.K. Associates, Pune, India Jan. 2023 – Nov. 2023

- Managed and coordinated development of a 400-unit residential community worth \$12.2M+
- Tracked budgets and processed invoices for residential redevelopment projects worth \$23M+
- Assessed zoning constraints and development potential for residential projects worth over \$18M+ through market and regulatory research

PROJECTS

Site Acquisition Feasibility Study Oct. 2024

- Conducted market research and zoning analysis to assess development potential for a residential project worth over \$6M
- Developed a financial pro forma including acquisition costs, construction costs, and projected revenue

Financial Modeling for Redevelopment Project Feb. 2025

- Built an Excel financial model evaluating redevelopment feasibility for a 10-unit building in Pune, covering acquisition, demolition, construction, professional, and permitting/regulatory costs

SKILLS

Technical: Acquisitions | Underwriting | Financial Modeling | Discounted Cash Flow (DCF) | IRR | Equity Multiple | Cash-on-Cash Return | Debt Sizing (DSCR, LTV, Debt Yield) | Construction Management | Real Estate Development | Market Analysis | Real Estate Due Diligence | Real Estate Valuation | Procore | GIS & Site Analysis | Microsoft Excel | Microsoft Office | Microsoft Project
Soft: Communication | Analytical Thinking | Problem Solving | Collaboration and Teamwork | Presentation Skills

LEADERSHIP & INVOLVEMENT

Member, Urban Land Institute (ULI) | Los Angeles District Council Sept. 2026 – Present

- Attend ULI Los Angeles programs and networking events with real estate development and investment professionals

Member, Trojan Real Estate Association (TREA) | University of Southern California Aug. 2025 – Present
